Porsche Rescue 911 specialise in the restoration of all model types of classic / historic Porsche cars. We have also the capabilities to restore or repair your valued Porsche to either "as original" road use or "modified" specification for track and competition work.

All Porsche enthusiasts are welcome at **Porsche Rescue 911** in our new workshop fully equipped for the correct repairs. We are located at Antwerp in Belgium.

Porsche Rescue 911 deliver quality solutions, Porsche repairs, historical restorations, engine engineering and service. Engine repair and overhaul, Gear Box repair and overhaul, performance tuning.

Digital images are taken throughout the restoration, be placed into our website, weekly/monthly updates keeping the customer informed at all times of progress, no more leaving your car and hoping someone is doing what they say!
